

Help your founders look fundable.

A senior brand, web and pitch studio for funded founders. One team builds the identity, website and investor deck together, so every investor sees the same story. Founded by Khrystal Strozier, who built Studio Halden's own ventures, Domà and BookkeeperOS, the same way.

FOR EVERY COMPANY YOU BACK

Free brand & deck review

A 20-minute review of a founder's deck, site and brand, with clear next steps. No obligation.

Priority start

Portfolio companies are scheduled first, with kickoff within 2 weeks.

10% off launch work

On Founder Launch and Brand + Website for any company you refer.

Founder-friendly terms

Paid in milestones, fixed proposals, and one team across brand, site and deck.

RAISE-READY LAUNCH

Founder Launch · \$22,500

Brand, website and investor deck as one system, ready for your raise or launch. Typically 6 to 8 weeks, kickoff within 2 weeks, paid in two milestones.

REFERRAL THANK-YOU

When a founder you refer starts a project, we send a \$500 thank-you: as a credit toward your fund's own brand or deck work, or as a donation to a cause you choose.
